

**Title: First letter in capital, all other letters lower case, times new roman,
centered, and bold**

Presenting Author¹, co-author(s)²

¹ The First author will need to provide a full mailing address (including country), email and phone on the abstract submission form as he/she will be the contact.

²Affiliation of co-author(s), address

email address of presenting author

This is the template for the abstracts to be submitted to the 10th SOLLAB Doctoral Colloquium. The recommended abstract length is half a page, the maximum length is one page including figures. The font style and size for title, authors, and email is shown above and for the text content is Times New Roman with size 12. Please submit the abstract as Microsoft Word document via the registration website before May 30, 2014.

If you include a colored figure or a table, notice that the abstract will be printed in black & white in the book of abstract, but will be available to download in colors on the 10th Sollab website with your registration password.
